

"A BIG CALL, BUT I PUT THIS ALBUM AMONGST THE LIKES OF SLIM DUSTY AND JOHN WILLIAMSON, WHO DELIVER SONGS THAT CAPTURE OUR NATIONAL FIBRE WITH SINCERITY AND TRUTH."

David Woodward (Country Capital News Oct 2014)

"You nailed it....you have given the nation a beautifully evocative gift in *Raise Your Glass*... both you and the song are worthy of a wide national audience."

Dr Brendan Nelson (Director, National War Memorial)

"To me, *Simply Bushed* personify what a live act should be... electrifying entertainment, beyond expectation, all the time, every time! And the nicest blokes you could ever hope to meet!"

Drew McAlister (Singer, songwriter & multiple Golden Guitar winner)

"*Simply Bushed* is one of Australia's finest live acts. They performed in front of thousands at the Gympie Muster.

The band was engaging, exciting and stopped punters in their tracks. I would highly recommend *Simply Bushed* for any event on the Australian country music calendar. I strongly believe that fans expect to see more of *Simply Bushed*. You won't be disappointed with what this band can deliver."

Scott Lamond (ABC National Radio)

"We could not have been more thrilled to have them on board, so much so that we have invited them back for *Cruisin' Country* in 2017 and 2018. *Simply Bushed* are simply Brilliant!"

Mick Manov (Managing Director - Choose Your Cruise, Cruisin' Country)

"*Simply Bushed* are one of the most entertaining bands in Australia. The marriage of fine musicianship, well crafted songs and a selective repertoire with comedy wit that most comedians would kill for and you have the ultimate entertainment experience. An accomplished band who deliver every time."

Narrell Brown (Jaybees Entertainment)
