

SCENE X DREAM

SCENE X DREAM „Identity“

Scene X Dream

Scene X Dream was founded in April 1989, by STEFAN FLEISCHER and ANDY LORZ, resulting from a former Band named WALLOP witch had been successful even outside German borders. Soon the Band found the exceptional singer ANDI SOMMER, still known by his unmistakable voice. After a few Demo-Recordings and castings on different Contest-Sampler releases SXD recorded their DEBUT-CD in 1991, named SCENE X DREAM witch was released in 1992 and became a real collector's item, cause of its limited edition. After SCENE X DREAM toured with BLIND GUARDIAN and GRAVE DIGGER the Band got the chance to support ANVIL and TITAN FORCE on their POWER METAL GODS TOUR witch took the Band through half Europe in early 1993. In 1994 ANDY LORZ left SCENE X DREAM and got replaced by NICO MOLA with who the Band recorded the COLOSSEUM-Album witch unfortunately got released in 2012 on different considerable Internet Portals, cause their former MMS-MAUSOLEUM-Record Company got solvent.

In 1999 SCENE X DREAM decided to have a break in order to cast different projects. ANDI SOMMER joined the Band LANZER witch later took him to the Metal-Band EVERFEST where they recorded the Album RISING in 2006. A Year later they played on WACKEN. STEFAN FLEISCHER did numerous productions in his WHITE ROOMS STUDIOS. NICO MOLA joined different Bands like LOVE GUN (KISS-Cover) and other projects. Late 2010 SCENE X DREAM got back together and found MARTIN WINTER as new Drummer in 2011. 2012 the Band wrote new Songs and recorded the IDENTITY Maxi-CD in their WHITE ROOMS STUDIOS witch is for PROMOTION ONLY for their planned Album IDENTITY. In Winter 2014 SCENE X DREAM joined their friends ANVIL to tour Europe as support act. The tour led the bands through 9 countries, they played 21 venues in 5 weeks. January 2015 original drummer Frank Rohe returned to SCENE X DREAM. At the moment the band is recording their new album IDENTITY, which is planned to be released in spring 2015. Frank Rohe, the original drummer rejoined the band in January 2015. The band gets back on stage in Fall 2015 after finishing their album "IDENTITY". The new Album will be presented from December 2015 on.
