## 'Traveller in Between'

Written and produced by Hans Peter Krohn for Krohnband. The CD represents Hans Peter's talents as a musical director, par excellence of German national and international studio and live projects. He recorded with Grammy Award winning Michael Högl who worked with artists such as Supertramp and.....

His lyrics focus on his interpretations of the reality of life representing his talents and capturing a wide audience, reminding one of Steely Dan, Van Morrison, and Dire Straits.

Nevertheless, Hans Peter's uniqueness carries the Krohnband signature. Hans Peter's musical arrangements enhance the amazing capability of this exclusive gathering of Krohnband members. In the true sense of the word Hans Peter Krohn is a traveller between sound and words that are universal.
