

NEREBRAN INVASION

TECHRIDER & STAGEPLAN

**Much thanks for inviting
Cerebral Invasion for a show.**

**We really looking forward to an easy
and uncomplicated cooperation,
as much as possible.**

**So feel free to comunicate every
upcoming concerns or unclarities
regarding our show any time.**

**You can contact us via
Phone , Whatsapp, Telegram or Email:**

Bandmember	Instrument	Responsible for	Email	Personal Email	Phone Number
Mahmood Abul Rab	Vocals	Booking, Triporganising	bandcerebralinvasion@ gmail.com	Mahmood.abulrab@ gmail.com	0049 1785498214
Stefan Klempnauer	Guitar			Stefan.klempnauer@ gmail.com	0049 1776873070
Hendrik	Bass				0049 15901679055
Alan Kofi Acheampong	Drums			alansystem@ hotmail.de	0049 15774878981
Sinan Karabulut	Guitar	Technical Setup, Techrider,Stage Plan	bandcerebralinvasion@ gmail.com	Sinankarabulut@ gmx.de	0049 1786736432

Our preferred setup is almost completely digital.

Everything that is played live will be sent through a multinterface into our computer and will be mixed and processed in our DAW.

We will bring our own drumtrigger system, with 5 electronic drum pads (4 Toms, 1 Snare) with integrated triggers and kicktriggers integrated in our kickpedal.

If there are any complains about this, let us know.

We are able to switch to a more analog or hybrid setup, if necessary.

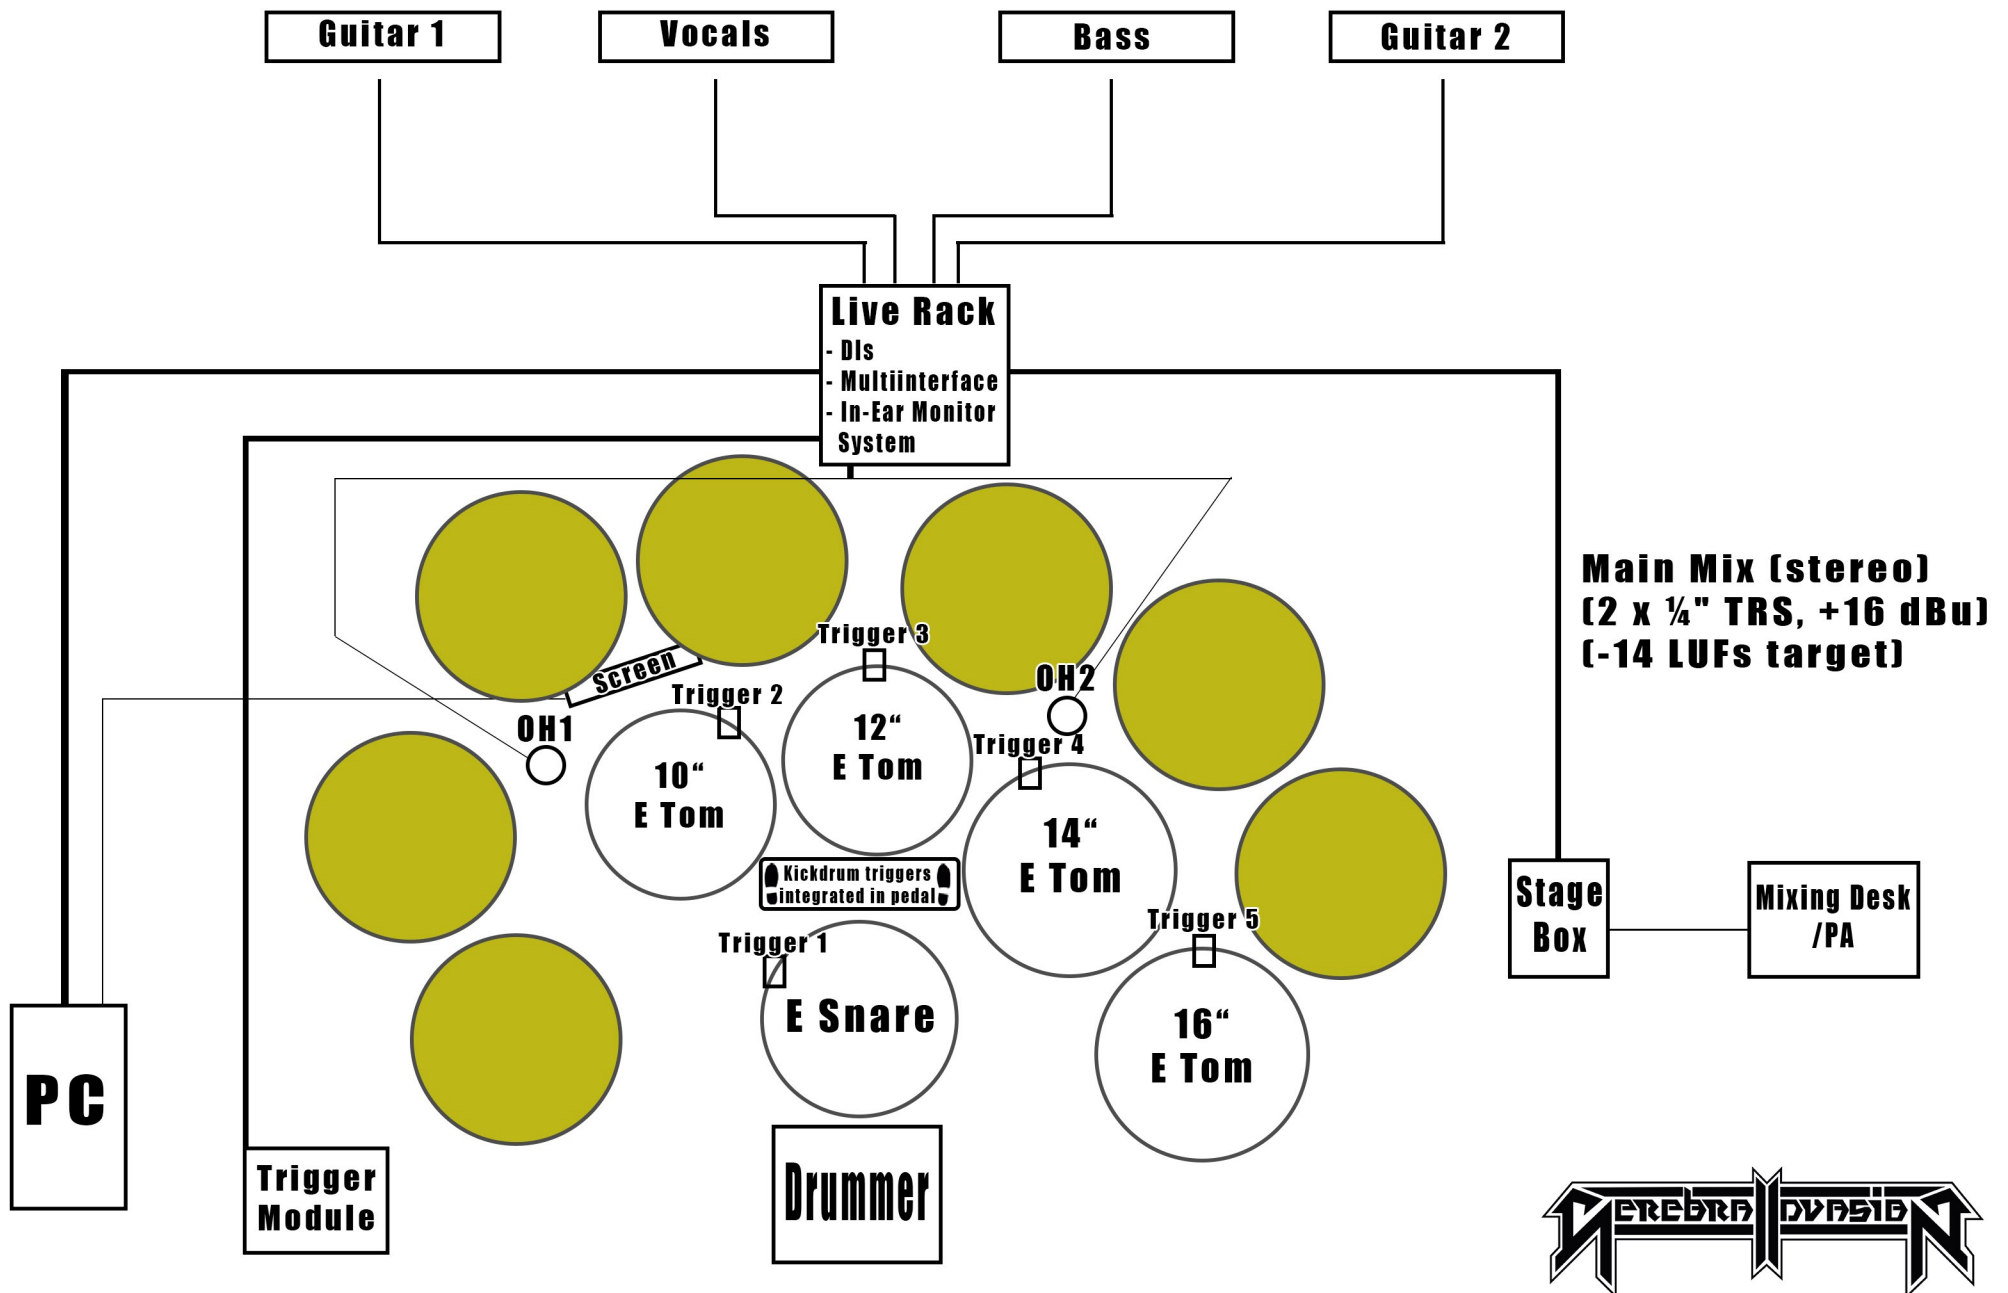

Digital Setup via Computer & DAW

---> Signal Chain --->

Instruments/Mics:					
Vocal Mic		Multi Interface	All Mixed and Processed in DAW		
Guitar 1	Passive DI				
Guitar 2					
Bass					
Drums (Triggered):	Trigger Module				
Snare				Output 1 - Main Mix (stereo) (2 x ¼" TRS, +16 dBu) (-14 LUFs target)	PA / Monitors for Audience

Rack Tom 1					
Rack Tom 2					
Floor Tom 3					
Floor Tom 4					
Cymbals:					
OH Left					
OH Right					

Stageplan

What should be **provided** for our setup:

[illegible]

What we will bring:

Drum Equipment	Vocals	Instruments	Live Equipment		
- Cymbals (6)	- Mic	- Sinans Guitar	- Live Rack (DIs, Multiinterface, In-Ear Monitor System)		
- Kickdrum Pedal (with Trigger)		- Stefans Guitar	- associated Cables		
- E Rack Tom "10		- Hendricks Bass	- Computer Rack (PC, Screen, Controlldevices, Triggermodule)		
- E Rack Tom "12			- associated Cables		
- E Floor Tom "14					
- E Floor Tom "16					
- E Snare					
- Hi-Hat + Stand					
- Drumstool					

ADDITIONAL INFORMATION

Line & Sound Check

If everything what we need is provided already on stage and we can use our preferred setup, our equipment should be set in around 20 min. When everything is done, we only have to adjust gain and volume levels for the provided overhead mics and check if everything works in general. Everything is already mixed in our DAW.

A soundcheck is always preferred if possible.

Stage Additions

We have a big backdrop of 3 x 5 Meters and 2 small stands of 2 x 1,5 Meters. We would like to use if possible.
