- High quality own production (bandmember is sound engineer)

1.1 Track List

1. Unfurl The Plague
2. Prologue
3. Manufactured
4. Deterrence By Brutatlity
5. The Staring Eye

1.2 Themes of the songs (short version):

1. **Unfurl The Plague**

Problems in dealing with nature, revenge of nature on man (natural disasters, viruses etc.)

2. **Manufactured**

Based on the movie "Elysium". Future fictional dystopian world is described.

3. **Deterrence By Brutality**

Dedicated to power-hungry dictators of the present who act against the will of society and are ultimately overthrown.

4. **The Starring Eye**

The "Locked In" syndrome is described from the point of view of an affected person.

1.3 EP Summary (short version):

This dystopian world lets you dive into a world of atrocities, (im)mortality and miseries of modern society. To sum it up, look through the eyes of Janus (head on the cover) and embrace the ERA of DECAY...

2. Band DYSEASE:

2.1 Biography

Hailing from Siegen in North Rhine-Westphalia, Dysease is a quintet that delivers exquisite Death Metal with a unique sound difficult to categorize. Their music is a blend of brutal riffs, catchy refrains, and progressive/thrash elements, while prioritizing groove and atmosphere to immerse listeners in a dystopian ambiance. Formed in early 2018 by former members of Iuramentum, Skin Harvest, Morok, and Defector, Dysease is dedicated to creating dark and haunting sounds. Their latest EP, "ERA of DECAY," was released in March 2023. To be continued...

2.2 Genre: Progressive Death Metal

2.3 Diskography:

03/2023 **„Era of Decay“ EP**
