Channels	Needs	Additional Notes
1 Main Vocal	Mic Stand	(SM86; needs 48V phantom power)
2 Electric Guitar L	DI Box	(mono through mic'd amp also possible)
3 Electric Guitar R	DI Box	
4 Electric Bass Guitar	Bass Amp + DO	
Smallest possible Drum-Setup		(additional Mics for Toms, Cymbals, High-Hat, etc. depending on venue)
5 Bass Drum	Mic	
6 Snare	Mic	
7 Overhead L	Mic	
8 Overhead R	Mic	

NOTES:

- We can provide Mics and Amps for all situations, if communicated in advance. But we're usually happy with working with what the venue offers
- Our drummer appreciates an extra AUX-channel and cable to his In-Ear-Monitor-Adapter, but he's also fine with getting a wedge like guitar and bass.
