BACKLINE

We bring drums, the guitar amp, guitar effects (pedals) and 2 microphone stands (voice).

PA/LIGHTS

We don't have any.

PARKING

We'd be glad if there was a free parking space for 1 car.

HOSPITALITY

A little still water and some fruit would be very appreciated. Jorin would love a beer; Skiba too, but she has to drive (maybe there's a chance of getting a non alcoholic one?).

TECHNICAL REQUIREMENTS

- 3 power sources (1 for the amp, 2 for the effects) 230V/50Hz
- 2 singing microphones
- We don't use any risers.
- Channels: Guitar amp, lead voice, backing voice, bass drum, snare, tom, floor tom, hihat and 2 overheads.
- We don't bring any lights. Please use dark colours (such as dark blue, dark green, dark purple...). Haze/fog machines and strobe lights are very welcome.
