

INFO

FULL SPIN is the band from **Guitarist and Singer-Songwriter Steffi Spingles**.

At the end of 2008 the band came into fruition as a **trio** with **Erwin Schmidt on Bass** and **Johannes Hackl on the Drums** backing **Steffi** with their joint musical purpose, namely the drive to create a world of music from the elements of **Funk, Rock and straight Pop**.

The extraordinary combination of the **lusty female vocals** paired with the **dirty, funky sound of guitar** from Spingies is supported by the **earthy grooves from the rhythm-section** creating the trademark of the band. **FULL SPIN** characterize their music with clear lines of simplicity to openly expose the soul character and inner-core of their songs.

In regards to content, it is clear what they are about.....

Energy, positive messages and above all, authenticity!!!

Since the release of their **Debut EP in February 2010**, the band has applied clear character and have presented themselves likewise also on record – powerfully, honestly and on the level.

Among other things, **FULL SPIN** have positioned their **title-track “Go Away”** at **VIVA-LIVE** and on-air on **BigFM** and on **SWR Radio DAsDING**. They are the winners of **Backnanger SWR3 Nachwuchsfestival 2009** and were awarded there the **Wolle Kriwanek Förderpreises**. Since formation in 2008 and more than 100 concerts (to name a few: Das Fest KA, Capitol, Feuerwache MA) the band can look back upon support-slots for Acts such as **Tito&Tarantula, Revolverheld, Aura Dione, Wir sind Helden, Clueso** and **Nevio**.
