

SO FUCKING WHAT

So Fucking What is a 3 piece Rockband from Dodge City / Germany. But at the most stages you will see the guys with different international gueststars.

After a decade of rough rocknroll, a lot of tours over Europe and the USA they're going back to the roots now.

No Compromise! No Backing Down! It sounds like Country but they're real rock!

COOL SUNNY GUITAR SOUNDS, QUITE EASY RHYTHM FROM THE BASS AND WORDS LIKE SHOTS OF A DESERT EAGLE. AND THE VOICE... YOU'LL NEVER FORGET IT! THAT'S ALL! THAT'S THE END! AND THE LADIES HAVE TO DANCE...

THE BAND:
VOCALS/BASS: DIRK
GUITAR: MATZE
DRUM: WIESE
HARP: ANDY
