**“Sun dappled, laconic psyche rock, infused with the best that blue collar Americana has to offer [...]”**  
(Janglepophub)

**“This material serves as perfect summertime music and perhaps an ideal beach time soundtrack, mainly because of the calmy, chill, reverby atmosphere that it delivers through each following composition.”**  
(Thoughts Words Action)

**“You cannot help but fall into Sun Smash Palace’s charm with this latest single (‘Do You Know What I Mean?’) and it’s likely the forthcoming EP will be chock full of good vibes and sun drenched guitar.”**
