

## **INFO:**

“ISOPTERA” is formed by three brothers, Aaron, Jonas and Merlin.

Isoptera’s music is a mix of 70ties rock, stoner, psychedelic and a heavy load of blues.

In this compilation we make music for almost seven years. The band gained experience playing shows throughout the country, supporting Bands like Red Fang, Weedeater, Kadavar, Graveyard, Horisont, Black Vulpine, Doors of Perception, Glowsun...

They released a 3 Song Demo Album in 2015 and their first full album “Space Sucker” in 2016 on CD and digital download.

The second album will be release at the end of 2017.

Jonas – vocals / guitar

Merlin – bass

Aaron – drums / vocals
