

# **PANIC TREE**

## **TECHNICAL RIDER + INFOS 1/3**

Version: June 2015

**[www.thepanictree.com](http://www.thepanictree.com)**

First of all, thank you for your interest in booking a show for Panic Tree. Below is a list of our technical requirements. We designed this rider for optimum effectiveness at the day of the show. If there are any questions or if you have trouble providing any of the below mentioned please get in touch with us before the day of the show and we will work out a solution.

### **Stage Set Up:**

*2 Main Vocals*  
*3 Electric Guitars*  
*1 Interface*  
*1 Keys*

We assume that there is a well sized PA system provided for the concert room with sufficient power to supply a clean and undistorted 110dB SPL RMS to the mixing desk and a powerful and feedback-proof monitor system.

set up + soundcheck duration: **90 minutes**
