Rose for Helena - Tech and Stage Rider

Rose for Helena - Tech and Stage Rider

Name	Instrument	DI Box	Required gear	Misc. notes
Robb	Guitar	?	-	
Ronny	Guitar	?	-	
Helli	Bass	?	-	
Dominik	Drums	?	5-piece professional drum kit (1x snare, 1x tom-tom, 2x floor tom, 1x bass drum); drum riser (optional); microphone set for snare, toms, bass drum, hi-hat (others parts optional)	
Robin	Vocals	-	1x wireless supercardioid vocal microphone; preference: Sennheiser 945	

Additional FOH information:

- We won't need any monitors on stage since all members have in-ear monitoring.
- We do not need/bring guitar and bass speakers since we use digital amps within our pedal boards.
- Our playback system will be used to play auxiliary musical elements during the songs (e.g., keyboard, synthesizer, backing tracks).
- Our own sound engineer (Dominik) will do the in-ear mix for us. We will need 8 aux channels as shown on the stage setup, specified as follows: 1/2 cymbals+toms, 3 snare, 4 kick, 5 vocals, 6 bass, 7 guitar Robb, 8 guitar Ronny
- The vocal aux output can be placed anywhere on the stage, the icon position on the stage setup is just an example.

Additional remarks, requests, and hospitality:

- Still water
- Changing room with a mirror and a couch
- In case of catering, please provide vegan food, as well (4/5 members are on a vegan diet).

Thank you very much, we look forward to working with you 😊
