

Presstext Adam Evald deutsch :

Adam Evald ist ein schwedischer Chamber Pop Künstler. Mit Ehrlichkeit und Humor schreibt er Musik über die emotionalen Seiten des Lebens und kombiniert Popmusik mit einem eigenwilligen klassischen Touch. Seine kristallklaren Melodien verflechten sich mit den Texten und lassen so eine tausendfältige Landkarte der Gefühle entstehen, die ideal durch sein kleines Ensemble, bestehend aus Geige und Cello, ergänzt wird.

Auf seinen vielen Tourneen wurde Adam Evald weltbekannt. Seit seinem Live-Debut 2012 hat er über 350 Konzerte in Ländern auf vier Kontinenten gegeben und unter anderem in Brasilien, Russland, Japan, Albanien, China, Indien oder Mexiko mit seiner charmanten Art und Musik zu begeistern gewusst.

Wenn er auf der Bühne ist, entsteht ein besonders Gefühl, eine Dosis hoffnungsvoller Melancholie, die unter die Haut geht.

1.

Adam Evald is a musician from Malmö, Sweden. He sings openly about the emotional trials of life. His songs describe the sudden death of love, piercing betrayal and how loneliness and grief can swallow you whole. With a small chamber ensemble (violin, cello, double-bass and piano) he has created a dynamic musical world where hopelessness battles hope; sad songs in major struggle against humble songs in minor. His musical expression is very precise and the level of honesty is appealing. He has the ability to catch your attention with subtleties, not only in his lyrics and in the way he has arranged the instruments, but also in his million-colored gestures and speeches on stage.

Since Adam Evald's live debut in November 2012, he has carried out several tours. He has given more than 350 performances in 180 cities in 35 countries on four continents. It is the result of an unusual tradition, to go on an annual world tour.

If you miss your chance to catch Adam Evald live, your only consolation is to listen to his album "Love Knuckles Peace Dove". It can be found on any streaming service or in selected record stores.
