

**Sick  
of  
Searching**

**END**

A black and white photograph of a ground covered in dry leaves and twigs. In the center, there is a white circular logo. The logo consists of a thick white ring containing the letters 'SO2' in a bold, sans-serif font. The letters and the ring have a distressed, speckled appearance, as if they were painted on a rough surface or have been weathered. The background is a dense layer of dry, brownish leaves and twigs, creating a textured, natural setting.

# 1. Running Away

Alone again

Like every now and then here

The future seems so unclear

I'm waiting for it then

I'm feeling useless now

Unwanted and invisible

The future seems so miserable

It's looming to me somehow

And it not to see

If someone hear's my help plea

If something is gonna break me

I think it's time to flee

I'm running away

from all that's approaching

I'm going to pay

If I will not rise up and stay

Wrong again

Like all your complaints and threats

They are word grown bayonets

That just had stabbed me when

I got excelled by you

Outvoted and unbearable

The defeat is just unbearable

Without even being true

And it's burning inside of me sometimes

It is boring a hole and it climbs

To the top of my head and it dimes

The time is over, the clock now chimes

## **2. Free Your Mind**

**Nails and pins  
Stinging painful in my neck  
My head it spins  
Perceptions slowly turns into black  
Clods and stones  
Guts coil up they are so weak  
My spine and bones  
Grinding dry you can hear it creak**

**Free your mind  
Have no fear  
Time is kind  
End is near**

**Screams and shouts  
Pressurise and hunting me  
flaws and doubts  
Is all of me that I can see  
Elbows and fists  
Pressing pushing punching hard  
Cuffs around my wrists  
Hurting cutting leave me scarred**

**In your mind  
Thoughts go around  
Make you blind  
No hope can be found**

**Fighting the fear  
Trying to forget  
Aspiring to clear  
What seems to be a threat**
