## Catering Rider

This catering rider is based upon the typical standards and should be kept at least basically. The well-being of a band on the road is very important. We'd like to thank you in advance for your good will.

We are 5 musicians + 1 technician.

### Food:

- 3 of us are vegetarians. The other guys eat everything (even dogs and cats).
- A warm meal would be nice, but you can keep it simple.

### Beverages:

- Mineral water off and on stage. A few bottles will do it.
- One large bottle of cola and one bottle of the finest rum you can find.
- At least 1 1/2 crate of nice and cold beer.
